

Roundup Training  
For Commissioners  
Huron Trails District

(or anyone who will  
go to help w/ a  
Roundup )

1. Mentoring

- Do they have their membership kit
- Have they reviewed it
- Have they received Roundup Training, or do they need help.
- Do they have a Roundup Plan
- Are they aware of the incentive plan

2. Being there

- Plan to attend the Roundup
- Show up early
- Offer to help
- Before the meeting starts remind the Cub Master that you would like to leave with the youth applications and fees tonight ( the fee is \$5.10 registration and \$6.00 for Boys Life) 

3. Crisis Management

- At the very least, collect the name phone number, email address and son's grade from all attendees.
- If a pack presenter is headed for disaster, GENTLY step in and offer your input.
- If they are having a hard time finding leadership for a den, suggest that everyone meets again in a week, and call for help.

4. Mailman

- Bring home the applications and get them to the office ASAP
- Call in your report that night: how many applications are in hand and how many more do we foresee coming.
